

INTEGRATION OF INNOVATION AND ROBOTICS IN LEARNING

Under the patronage of
The Director General of the
Ministry of Education and Higher Education

Mr. Fadi Yarak

May 9, 2019

9:00 AM - 12:30 PM

Notre Dame University, Louaize.

Join thought leaders, policy makers, researchers and educators to learn, discuss research evidence and share best practices in the field of innovation and robotics in learning.

This EdTech Forum will un-tap the existing potential for innovation and robotics in the Lebanese education ecosystem, explore successful curriculum examples and best

practices which take place in and after school and come-up with recommendations that may inform policy, leaders and the educational society at large.

EdTech Forum is an initiative of International Education Association and Fondation Mouna Bustros. This event is run in Collaboration with Notre Dame University, Louaize.
